

Share the truth of God's Word and equip believers with a **DONOR-ADVISED FUND**

A Convenient and Tax-Efficient Way to Give

Love Worth Finding has partnered with Barnabas Foundation to offer you a donor-advised fund called the Stewards Fund so you can reach more people with biblical truth.

With your personal Stewards Fund, you receive an immediate tax deduction when you deposit cash or proceeds from appreciated assets into a single charitable giving account. Then, you request grants be made to your church, Love Worth Finding and other charities close to your heart.

Shared Values

When you give to the Stewards Fund, you can be sure your gifts will be used only in ways that bring glory to God and serve the needs of His treasured creation.

Barnabas Foundation, unlike other donor-advised funds, will not make distributions to organizations with a mission inconsistent with your Christian values or for a purpose or project in conflict with biblical principles.

Benefits of Using the Stewards Fund

- **Timing.** Receive an immediate tax deduction at the time you make a gift into the Stewards Fund. Then, at a time that works best for you, advise how you wish your gifts to be distributed.
- **Flexibility.** Grants can be requested at any time of the day using a convenient online e-grant system. Give in one-time or recurring increments, and you may choose to designate your giving.
- **Simplicity.** Simplify your giving and record-keeping by making all gifts of cash, stocks or appreciated assets into a single account.
- **Privacy.** You can choose to make any or all grants anonymously by selecting that option.
- **Expertise.** Benefit from the knowledge and expertise of Barnabas Foundation staff who will manage and liquidate your non-cash asset gifts for the benefit of charitable causes.
- **Cost-effective.** Many families choose to use their Stewards Fund accounts as cost-effective and less complex alternatives to establishing private foundations.

Stewards Fund How It Works

Investment Options

Barnabas Foundation's goal is to make sure your favorite ministries receive your recommended distributions, while also providing you with the potential to grow the balance in your Stewards Fund account. If you plan to keep a balance in the account for at least two years, there are investment options for you to consider.

- Fixed Income Fund
- Conservative Fund
- Balance Fund
- Long-Term Growth Fund
- Aggressive Growth Fund

The main factors in determining the best option for you are your investment risk tolerance and the timing for the distribution of the balance in your Stewards Fund. Barnabas Foundation can help you evaluate the options that best fit your goals and circumstances.

All of the underlying assets in these funds are actively managed by professional investment managers, and investment performance reports for all funds are available each month.

"The gifts into this account are my first fruits. The Lord is welcome to my money before I do anything else. The Stewards Fund is just an amazing tool for me."
