

# Prayer for the Country

Wouldn't it be incredible to see God move powerfully throughout the entire country? The spread of revival across a country can result in millions coming to know Christ. What this country needs more than anything else is Jesus. We must pray that God ordains leaders who will ultimately point people to Christ.

Pastor Adrian Rogers said:

“There's both a moral crisis and a leadership crisis in America. Leadership is crucial. There's a saying that asks: “If the gold rusts, what shall the iron do?” That is, if our leadership is not what it should be, what will the people be like? God is greatly interested in a nation's political life. Some say He ought to stay out of government, but the truth is, government must always look to Almighty God.”

In 1 Timothy 2:1-4, we read:

**Life Application:** Pray God would bring revival to our nation, including the highest places of power.

Therefore I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men, for kings and all who are in authority, that we may lead a quiet and peaceable life in all godliness and reverence. For this is good and acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the truth.

Notice the connection between praying for those in authority and the salvation of many. When there are godly leaders, it creates an environment where the Gospel can be freely proclaimed. When the Gospel is freely proclaimed, more people can come to a saving knowledge of the truth.

## Day 1: Pray the president would truly know God and leads the nation in a way that honors God.

- Do you pray for the president as much as you talk about him?
- How does it encourage you to know that God is in control of all things, including the President?

---

---

---

---

## Day 2: Pray godly people be appointed to high positions and that they honor the Lord.

- What are some specific issues (e.g. abortion, freedom of religion, etc.) you feel led to pray about?
- Are there any actions you can take, such as sending a letter to your representative or supporting a ministry that works on a particular issue?

---

---

---

## Day 3: Ask the Lord to appoint godly judges and to cause these judges to make wise decisions.

- What are the blessings that come with having godly Supreme Court justices?
- What are some specific issues or rulings that you can pray about?

---

---

---

---

## Day 4: Pray God blesses national ministries that seek to honor God and point many to Christ.

- What specific ministries have been a blessing to you?
- How can you be more active in supporting these ministries?

---

---

---

---

## Day 5: Ask God to raise church planters to start Gospel-preaching churches across the country.

- Do you know any church planters?
- What are some specific ways you can pray for them?

---

---

---

---

## Day 6: Pray the Holy Spirit would bring conviction of sin and repentance to many people.

- Why is conviction and repentance even more important than having godly laws passed?
- What happens when God brings conviction and revival to a large group of people?

---

---

---

---

## Day 7: Ask the Lord to bring about a return to Biblical values in this country.

- What Biblical values have been lost by society over the years?
- What would our country look like if it returned to Scriptural values?

---

---

---

---

## Day 8: Pray churches throughout the country would be healthy and grow.

- Are there some churches besides your own that you can pray for?
- Who are some well-known church leaders you can pray for?

---

# Conclusion

The wonderful news is that God is eager and ready to answer our prayers. He loves us, our families, our friends and neighbors, our churches, our cities and states, our nation and our world. Our hope is not in ourselves, in politics or in presidents.

Pastor Adrian Rogers said:

“Some say it’s too late. Don’t be one of them. Don’t say revival is impossible. God’s power, His grace, are sufficient. “But, pastor, sin is pandemic.” Yes, but Romans 5:20 says, “Where sin abounded, grace abounded much more.” God is omnipotent, and He is our hope...Don’t look to some political party to save us. Tell both parties, “Repent and get right with God.” We’re in a mess because we have wicked people who elect wicked people, who will make wicked laws apart from God. We must have revival, and its source is Almighty God. Get your eyes on Him.”

As we pray for our nation, let us pray with hope and faith. Things may look bleak, but nothing is too hard for God. God can cause light to shine into the darkness. He can soften hearts and open the eyes of the spiritually blind. He can save even the most wicked sinners.

Don’t despair when you look around. Instead, fix your eyes on God. He can bring the revival we so desperately need. In 2 Chronicles 7:13-14, the Lord said to Solomon:

When I shut up heaven and there is no rain, or command the locusts to devour the land, or send pestilence among My people, if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

God stands waiting, ready to hear and answer our prayers. For the sake of our nation, let’s consistently join together in prayer.
